50" Wide Tuscan Vineyard Etched Grapes 12 Light Chandel-Air

Product Features

A taste of Italy meets custom lighting and fan technological innovation as a dozen inverted Antique Green Frosted wine bottles are supported by curved arms with bobeches for beautiful ambient lighting. Each bottle is delicately etched with an appealing Grape design complemented with hand forged iron Grape Vine wrap around its neck. This Chandel-Air is so cool and so much fun that you may want to hang from this fixture. But don't. A unique conversation piece. This gothic rustic frame encases a 30-inch fan that spins quietly in the center with superb efficiency. Custom crafted in the USA.
