51"W Costello 2 Tier Up and Downlight Chandel-Air

Product Features

The award-winning Chandel-Air is customized with two-tiers featuring a lower tier that doubles as a decorative casement for a ceiling fan. Both tiers are embellished with a Hand-Hammered steel band featured in a Blackened Copper finish. Sixteen faux candlelights accent the fixture; which is individually handcrafted by highly skilled artisans in Yorkville; New York. Designed as an energy saver pulling hot air up and keeps the space cool in the summer. The fan is reversed in the winter to push down hot air and maintain warmth. Operates with an optional remote fan control with three-speeds.
