# Beacon Hall Ellipse Glass Sconce

## Product Features

Paying homage to the history of their craft, the modern blacksmiths here at our Vermont forge, wrest form from steel. There's something nearly primal about the design of our Beacon Hall Wall Sconce. No doubt, it's a bold look and no doubt, bold looks good. Options: Finish: Bronze - 05 Glass: Opal Glass (GG) Lamping: Incandescent Height: 12.2 Width: 6 Length: Weight: 4.2
