## Product Features

Introducing the Mushroom Hat Light, a sleek and stylish lighting solution for your outdoor space. Crafted from high-quality cast aluminum or cast brass, this light features a matching extruded aluminum or brass stanchion for added stability. With LED and legacy lamp options available, you can choose the perfect light source for your needs. The socket features a single contact bayonet design with a brass nickel-plated lamp socket screw shell (Ba15s) and double contact bayonet base (Ba15d) for 120v, both with 200°C silicone lead wires for safe and reliable operation.

For easy installation, the Mushroom Hat Light comes with a FA-03-LG black 9" ABS stake, tapped 1/2" NPS for secure mounting. The light is finished in a durable aluminum-black texture polyester powder coat, with optional finishes available. The brass version comes unfinished, but also has optional finishes available. Upgrade your outdoor lighting with the Mushroom Hat Light, a reliable and visually appealing choice for any setting.
