

Focus AL-18-LG Citronella/Kerosene Liquid Torch

Product Features

The AL-18-LG Area Light Citronella/Kerosene Liquid Torch is a high-quality outdoor lighting solution that is perfect for illuminating patios, decks, and other outdoor spaces. With a spun copper hat and a snuff cap with a cast brass adjustable hub, this torch is both stylish and durable. The hammered surface on the hat is available on the -HH models, adding an extra touch of rustic charm.

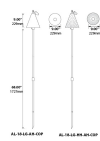

This torch has a fuel capacity of 20 ounces in the vertical position, providing approximately 10 hours of burn time. The long-lasting 3/4" round braided fiberglass wick helps to ensure that the flame stays strong and bright.

The AL-18-LG Area Light Citronella/Kerosene Liquid Torch is available with both LED and legacy lamp options, so you can choose the lighting solution that best meets your needs. The single contact bayonet socket and brass nickel-plated lamp socket screw shell (Ba15s) with 200°C silicone lead wires provide a secure and reliable connection.

The angle-cut stanchion mounting system allows for easy installation, making it a convenient and versatile lighting solution for any outdoor space. With its combination of durability, style, and performance, the AL-18-LG Area Light Citronella/Kerosene Liquid Torch is the perfect choice for illuminating your outdoor spaces.
