# Matthews NAN Fan

## Product Features

Designed by Chicago architect Stephen Katz, the Nan ceiling fan is a contemporary take on traditional fan design with superior performance and functionality. The Nan fan feels at home in any room or setting from casual to formal and everything in between. This timeless ceiling fan works in residential environments, restaurants, hospitality or even office settings and has the perfect amount of design presence for any size room or season. The fully adjustable, six-speed fan motor speeds makes moving the right amount of air simple and easy. The Nan fan will feel like a natural part of the room and enhance any space with a fresh breeze. Also available is the larger Nan XL for larger spaces.
