6IN WAFER SWITCH CCT 30K40K50K WH

Product Features

The 6-inch round Wafer LED Downlight with Switchable White provides high-quality light output and efficiency featuring a switch for easy color temperature adjustment from soft white to neutral white during installation - while eliminating the need for recessed housings. The innovative, slim design allows for easy retrofit, remodel or new construction installation from below the ceiling. The Wafer LED downlight is wet location listed making it ideal for use in a breadth of outdoor residential, hospitality, commercial and multifamily applications.
