2x2 LL STACK 30/40/50LM 35/40/50K

Product Features

Available in 2x2 and 2x4 configurations, STACK Switch provides both functionality and efficiency. Selectable lumens allow for a variety of mounting heights and switchable color temperature allows you to fine-tune the look of your space. STACK Switch is the fully switchable version of the next-generation family of products. It is the perfect choice for schools, commercial office spaces, and many more applications.
