WALL LL TWX1 LED ALO 50K TXD BRNZ

Product Features

TWX LED wall pack family, a ground-up design that has the low initial cost customers demand while providing superior performance and a traditional form. The TWX1 LED is energy efficient saving up to 83% in energy costs when replacing a metal halide luminaire. The Adjustable Light Output (ALO) feature allows the contractor to set the light output during installation, to a level perfectly suited for the job site. The TWX1 LED ALO luminaires can replace anything from a CFL to 100W metal halide luminaire.
