# LL 4 ft. FML4W 50LM 4000K 0-10V

## Product Features

The FML4W wide housing LED wrap is designed with the renovator in mind. While compatible with new construction, its no mystery the flexibility of the FML4W will keep renovation simple. A wider housing easily covers up existing blemishes from older fixtures, which means less maintenance upon installation. This is capped off with standard 0-10V dimming.
