6in JSBT Slim Tapered Disk Light

Product Features

The Juno SlimBasics 6in JSBT Slim Tapered Switchable White LED Disk Light is designed to be the lowest total installed cost solution for residential spaces. The matte white aluminum housing is aesthetically pleasing bringing a design element that blends with any dcor. The JSBT features a switchable white color temperature switch on the back of the product allowing you to choose between three (3) easy color temperature adjustments (3000K Warm White, 4000K Cool White, or 5000K Daylight), plus it includes a Passive Infrared (PIR) sensor that provides automatic light activation when someone enters the room and is factory set to automatically turn off after 40 seconds of no movement making it the perfect solution for closets, pantries, hallways, stairways, bathrooms and much more!
