WPX0 LED Wall Pack

Product Features

The WPX0 wall pack features a uniform photometric distribution with four adjustable light outputs (ALO), three switchable color temperatures (SWW) 30/40/50K CCT and a switchable dusk-to-dawn photocell. WPX0 is the ideal choice for over-the-door or low mounting height wall mounted lighting applications for residential and commercial buildings. Designed to provide a cost-effective, energy-efficient solution for the one-for-one replacement of existing HID wall packs and new construction opportunities. Easily installed onto any junction box by simply making the connections in the integral wiring compartment and WPX0 is ready to use. View [WPX0 LED Wall Pack](#)
