JSBT 6IN SWW2 90CRI WL MW M6

Product Features

The Juno SlimBasics 6in JSBT Slim Tapered Switchable White LED Disk Light is designed to be the lowest total installed cost solution for residential spaces. The matte white aluminum housing is aesthetically pleasing bringing a design element that blends with any dcor. The JSBT features a switchable white color temperature switch on the back of the product allowing you to choose between three (3) easy color temperature adjustments (3000K Warm White, 4000K Cool White, or 5000K Daylight) making it a perfect solution for use in single-family, multi-family and light commercial spaces, including: kitchens, closets, hallways, bathrooms, laundry rooms and much more!
