Product Features

The distinctive charm of the Floridia is the bright baubles that hang in perfect symmetry from the solid brass frame with Polished Chrome finish. The brilliance of the Firenze crystal drops and multi-faceted crystal bobeches create a contemporary crystal design that can be incorporated into a modern or vintage dcor. The Floridia collection features gracefully curved Polished Chrome fonts and arms that hold the lighted candles for a classic display. Its chain-hung support allows you to customize the height to suit your space.
