54in Verse-Maiden Bronze

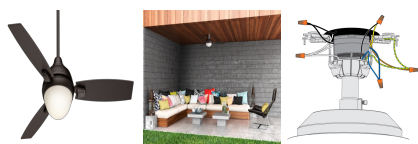

Product Features

The Verse is bringing retro back with a contemporary twist. The composition borrows elements from 1950s American metropolitan design and incorporates a modern, minimalist approach. The result is sharp, discrete, and subtle, yet evocative, keeping any room looking fresh and inspired for years to come. Ideal for large rooms in your minimalist home, the exquisite presence of the Verse damp-rated fan offers simple comfort with a personal touch. With a variety of assembly options such as downrod or low-profile and energy-efficient LED light or no-light cap, this fan is a perfect choice. The best part is that it's all included in one box! From the makers of the Worlds Finest Ceiling Fan.
