54in Stealth-Snow White-LDC

Product Features

Form follows function in this impeccably finished Stealth fan's swept wing blades and fluid contours. Drawing inspiration from the Stealth Bomber aircraft, this magnificent fan's universal design makes it an ideal addition to your large living room with a modern interior design. This contemporary fan features an energy-efficient LED bulb and superior air circulation driven by an ultra-powerful six-speed DC motor for unparalleled power, silent performance, and reliability over decades of daily use.
