44in Isotope-Brushed Cocoa

Product Features

With a low-profile design and swept-wing blade configuration, the Isotope evokes a mid-century modern style that's ideal for installation in interiors with lower ceilings. This contemporary ceiling fan boasts superior air circulation driven by a reversible, four-speed Direct Drive motor for unparalleled power, silent performance, and reliability over decades of daily use. The sleek Isotope fan includes a convenient wall control that allows you to change fan speeds and adjust the energy-efficient LED lights with ease.
