

54in Levitt-Brushed Nickel

Product Features

The Levitt modern industrial style ceiling fan is inspired by factory hood lighting with its curved bell shape, cased white glass, and an integrated LED light. Rustic, handpainted real wood veneer blades compliment the nostalgic era of the fan body. The Levitt features a Casablanca exclusive wall control with the receiver preinstalled for easy installation. Explore this rustic ceiling fans various sizes and finishes to find the best ceiling fan for your decor while maintaining the style you love throughout your home. From the makers of the Worlds Finest Ceiling Fan.
