Chatswood Table Lamp

Product Features

The Chatswood Table Lamp is dripping with personality, the irregular shape of the oceanic-hued glaze on the terracotta surface of its ginger-jar shape flowing over the unglazed terracotta to bring a handmade look.

Accentuating the unglazed portion of the lamp are wood accents treated to a resonant Hiroshi Gray finish.

Cinching the appeal that will draw any pottery devotee is the crackle in the glaze that provides an extra touch of texture. An oatmeal linen shade tops this traditional piece.
