Recluse Table Lamp

Product Features

A slender form made of brass with a tapered granite base makes the Recluse Table Lamp apropos for so many design styles. The stem with its tiny cup-like details at its bottom and apex, a central knob and an arrow-shaped finial are classically rendered features. The vintage brass finish on the metal and the pyramid-shaped black granite combine to anchor the lamp while the bone linen shade and the fixtures slenderness lighten its profile.
