Optimist Table Lamp

Product Features

Not unlike the serene beauty of a winter snowstorm seen through a copse of trees, the mouth-blown glass artistry of the Optimist Table Lamp has similar pale blue tones to its speckled glass. The optic crystal base upon which the body perches anchors the lamp. The natural linen shade brings added elemental style to this creation that would bring such loveliness to bedside tables, a special table arranged with elegant accessories or any number of spots in the well-appointed home.
