# Khalil Table Lamp

## Product Features

Slabs of marble intersected by metal in an antique brass finish have never looked so modern as they do in the Khalil Table Lamp. The tones in the patinated metal bring out the salmon-colored tones in the stone to make this piece feel warmly modern. The heft of the off-white shantung shade with its clean-lined rectangular shape adds to the smartness of this lamp. This is one of our creations that spans many stylistic notes, from mid-century modern to contemporary.
