# Fisch Large Table Lamp

## Product Features

When you realize there is something fishy about the Fisch Table Lamp, you'll recognize it as a bonus for the space begging for a hint of whimsy. The fish pattern on the clean-lined porcelain column is achieved in gray and white, the antique nickel finish on the hardware echoing the tones in the glazing. We've topped it off with an off-white linen shade to make this a swimmingly good choice for a beachfront condo or lakeside retreat.
