Lohn Table Lamp

Product Features

The mark of a talented designer is shown in the makeup of our Lohn Table Lamp. The ornamentations on the thin stem have a balance to them that pleases the eye: three upturned fluted motifs pointing toward the shade and one pointing toward the simple stacked base. Topping the cast-iron piece off, above the beige poplin shade, is a finial that has the same tonal qualities as the body of the lamp, which reads as black but has the subtlest of hints of dark brown texture to it.
