Hadi Table Lamp

Product Features

When mid-century modern style morphed into 70s fab, the motifs that ornamented everything from fabrics to wall art were flowing and groovy, just like the pattern that winks on the surface of our Hadi Table Lamp. Made of ceramic, the matte beauty achieved by a gray wash updates the mod feel of the design while lending it a bit of an ethnic feel. The scale of the vanilla linen shade makes this a balanced composition, as does the plump finial that echoes the shape of the lamps rotund body.
