# Jessamine Table Lamp

## Product Features

The Jessamine Table Lamp is truly an artisanal piece with a surface that is studded with beautifully fashioned white flowers. Rather than apply one type of bloom, a number of floral shapes are intermingled to give the white lamp a charm that is heightened by the top edge that is slightly rounded as it disappears beneath the shade. The handmade character of the piece comes from the fact that each flower is created individually and applied, one-by-one, by hand. We also offer the Jessamine as a vase.
