# Staghorn Coral Table Lamp

## Product Features

Made by a group of elderly women who live at the border of Burma and Thailand, the Staghorn Coral Table Lamp is a powerfully textured tan lamp with appendages that mimic the profile of staghorn coral flowing up its columnar body. Each piece is made of ceramic and affixed by hand, the shaping a painstaking process in order to mimic the lamp's namesake the lives in the sea. The body of the lamp is then finished in Sunken White.
