3 Inch Retrofit, 2700k, 38 Degree, CRI90, ES, ETL, 8w, 50w Equivalent, 50000hrs, LM450 6 Pack

Product Features

The perfect solution for replacing bulbs in recessed spaces, these LED retrofits offer an integrated LED base for 3-inch incandescent features. They use only 8 watts of energy to produce 450 lumens of 2700K white light, netting an 80 percent savings in energy costs. They work well in dimming applications and wet or dry environments, making them versatile as well as economical. These retrofits include a five-year limited warranty, offer 50,000 hours of life, and come in packs of six saving time, money, and energy.
