# 4 Inch Disk Light, 2700k, 105 Degree, CRI90, ES, ETL, 11.5w, 50w Equivalent, 50000hrs, LM600

## Product Features

Simplify maintenance requirements and reduce energy costs with the incredible performance of these direct LED replacement lights. Easily mounted on standard 4-inch J-boxes, the low-profile fixtures provide 50000 hours of light, which can eliminate up to 14 lamp replacements and save about 80 percent in energy costs (65-watt equivalent 11.5 watt LED vs. 50-watt incandescent lamps). The dimmable lights have a 105 degree beam angle and are Energy Star-rated and ETL compliant for use in wet locations. These cost-saving disk lights are available in a six-unit multipack
