In-Wall Tru-Universal RF Dimmer, Nickel LC2101-NI

Product Features

The radiant collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. The In-Wall Tru-Universal Dimmer operates all dimmable lighting types and loads using the home's existing electrical wiring. Its patented Tru-Universal technology automatically adapts to any load or combination of loads attached to it, eliminating flicker, early dropout, or pop-on deficiencies which can plague other non-adaptive dimmers. Legrand's RF Lighting Control switches and dimmers provide unified control of lights, security, audio, and more. radiant Screwless Wall Plate not included. Check out the RF Lighting Control mobile app.
