# In-Wall RF Scene Controller, White LC2303-WH

## Product Features

The radiant collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. The Scene Controller is an in-wall keypad that pairs with the Whole House Lighting Controller and installed RF Lighting Control devices to trigger preconfigured lighting scenes. Legrand's RF Lighting Control switches and dimmers provide unified control of lights, security, audio, and more. radiant Screwless Wall Plate not included. Check out the RF Lighting Control mobile app.
