adorne 1100W Incandescent/Halogen Whisper Dimmer

Product Features

The adorne Whisper Dimmer features an innovative design, using a whisper-soft motion to dim and brighten lights, or simply toggle them on and off. Use this device on its own to control a light or fixture from a single location, or pair with a second switch or dimmer to control a single light source from two locations. Made exclusively for use with screwless Wall Plates from the adorne Collection, sold separately.
