adore 1100W Incandescent/Halogen sofTap Dimmer

Product Features

Turn lights on/off, or dim, with just a soft tap of a finger, thanks to inventive micro-movement technology. Use on its own to control a light or fixture from a single location, or pair with a 3-way switch to control a single light source from two locations. Made exclusively for use with screwless Wall Plates from the adore Collection, sold separately.
