radiant 15A Tamper-Resistant Self-Test GFCI Outlet with Night Light

Product Features

Ideal for replacing outlets by kitchen or bathroom sinks, this combination device from the radiant Collection includes a tamper-resistant GFCI outlet paired with a sealed, built-in LED light which automatically turns on in the dark for easier nighttime navigation. Designed for safety, this self-testing GFCI outlet complies with National Electrical Code and makes trips easier to recognize and fix than GFCI breaker alternatives, thanks to an indicator light and accessible reset button right on the outlet. Made exclusively for use with screwless Wall Plates from the radiant Collection, sold separately. View [radiant 15A Tamper-Resistant Self-Test GFCI Outlet with Night Light](#)

Product Specification
