# Digital Music Kit

## Product Features

Perfect for adding high-performance audio without cluttering up your countertop. The kit includes two speakers and a detachable dock for smartphones or MP3 players, enabling USB charging for most devices. Simply fit the main speaker into one module opening and then place the second speaker in any other module location. System features Bluetooth technology to enable wireless streaming of music from your device. Also includes 3.5 mm connector for use of non-wireless devices.
