

In-Wall Remote RF Dimmer, Nickel LC2103-NI

Product Features

The radiant collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. The Remote RF Dimmer provides convenient control from multiple access points when used with a load-bearing RF dimmer (LC2101, LC2102, LC2150). Legrand's RF Lighting Control switches and dimmers provide unified control of lights, security, audio, and more. radiant Screwless Wall Plate not included. Check out the RF Lighting Control mobile app.
