HORIZONTAL STEP LIGHT, WHITE

Product Features

The radiant collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. Ideal for stairways, hallways, media rooms, and hotels. This night light features five adjustable light levels, a hidden sensor that automatically controls the night light and an impact-resistant Lexan lens, face and body. An optional louver is included for added light-level control. radiant Screwless Wall Plate not included. For detailed Night Light information, visit our Night Lights page.
