Touch Dimmer, 700W Incandescent, Halogen, MLV, Fluorescent, ELV, CFL, LED

Product Features

adorne Touch Style Dimmers feature a stunning translucent face and operates just like an iPhone - simply touch your finger on the circle to turn the lights on and off, or use the arrows on the right to dim them. The Touch interface is created using a unique translucent material. In multi-gang installations, we recommend pairing Touch switches and dimmers for optimal consistency. Ideal for typical residential and light commercial applications, the Tru-Universal Dimmer is the simple solution to all your dimming challenges. It works with any 120V dimmable lamp, load and fixture.
