# Wireless Smart Switch with Netatmo, Nickel

Product Features

The smartest way to take control of lights and power, optimized for larger homes. Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a homes unique space and needs. The Wireless Smart Switch with Netatmo can be added to any wall, or virtually any surface, for easy 3-way control -- no wires necessary. Use the included mounting adhesive to gain control of a room's lights from a second on-wall location in minutes, no tools required. An ideal solution for large rooms or areas with multiple entrance/exit points that are not wired for 3-way control.
