Home/Away Wireless Smart Switch with Netatmo, Nickel

Product Features

The smartest way to take control of lights and power, optimized for larger homes. Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a homes unique space and needs. With the Home/Away Wireless Smart Switch with Netatmo, turn a full lighting scene on or off at the touch of a button. Easily programmed through the Legrand Home + Control app, this device lets users group and control a perfect combination of lights for their routine. Position near the front door to turn entry, living room and hall lights all on with a tap; or, place beside the door to the garage to shut the main lights off before you leave. And with its no-wire design, it can be added to any wall, anywhere. Simply use the included adhesive to mount in minutes.
