Product Features

Take comfort in the convenience of controlling your lights from any smart device, from anywhere.

The Smart Switch, Wi-Fi enables you to control your lights, and even set scenes and schedules, from any smart device. Or, just ask Alexa or Google to turn the lights on for you. Combining classic design and advanced functionality with simple connection among existing smart home solutions using your homes wireless network, Smart Lighting from the radiant Collection sets the exact lighting you want when and where you need it.
