# 12V 3000K 200 Lumen LED Mini All-Purpose Recessed Light Stainless Steel

## Product Features

The 12V integrated LED All-Purpose Recessed fixture provides the performance and reliability you need for your next project or installation. This fully sealed and encapsulated fixture has 200 lumen output with a 3000K CCT, and comes in a Stainless Steel (SS) finish. The three field changeable beam optics are included with each fixture: 20-, 40- (factory installed), and 75-degrees allow you to put light where you want it. A removable spring clip and compression sleeve adapt to a wide variety of applications for seamless installation. IP68 rated against dust and water ingress. Additional features include a 6000kV surge protection built-in to guard against power irregularities and a 9-15-volt operating range.
