Westover Flush Mount

Product Features

The clean lines and hand-riveted accents make the Westover lantern collection a modern industrialist's dream. A long rectangular framework provides an unobstructed view of the lantern's sleek interior. The choice of earth black, antique brass, stainless steel, or western bronze further enhances the versatility of this refined collection. The earth black, stainless steel, and western bronze finishes show off clear beveled glass panels while the antique brass option flaunts seedy glass.
