Organika Flush Mount Light

Product Features

Low profile flush mount wall or ceiling mounted lighting fixture with single LED source set into a painted heavy gauge Aluminum plate. Can be used in multiples with a conduit (Not Included) capable through-wiring compartment that facilitates the creation of rows and patterns of fixtures branching from a single wiring point. Comes with white or chrome trim ring. For alternate Pantone finishes order ZFM4201 + the Pantone color number you require + the trim color. (Not all known Pantone colors are available as applied paint finishes).
