Fanaway Industri Oil Rubbed Bronze and Dark Koa 48-inch Ceiling Fan with Light

Product Features

The Fanaway Industri retractable four-blade ceiling fan with dimmable LED light kit in oil Rubbed Bronze includes three-speed remote control with dimmable function, on/off light button, and wall mount kit. The Fanaway Industri is an advanced ceiling fan with unique aesthetics and energy efficient design. Switched off, the traditionally intrusive fan blades automatically retract and conceal, and visually the unit transforms into a slim, industrial light pendant. Turning the fan on creates a centrifugal force which deploys the blades to circulate air within a room. It creates open space in the room environment, accumulates less dust, and is unobtrusive and versatile to visually integrate into most living interiors. The star of this Fanaway design is the cage light kit that features three vintage LED bulbs, which enhance every ounce of its industrial yet modern charm. Fanaway US patents and Design Registrations current: US Patent 8317470, US Patent 8807938, US Patent 8790085, US Patent 9255584, and US Patent 8851841.
