Product Features

The Australian Original FANAWAY Montclair Black with Black Trim and Smoke Blades is an advanced ceiling fan with unique aesthetics and energy efficient design. Switched off, the traditionally intrusive fan blades automatically retract and conceal, transforming the unit into a modern industrial pendant. It creates open space in the room environment, accumulates less dust, and is unobtrusive and versatile to visually integrate into all rooms of your home. The fan comes with 3 dimmable LED vintage bulbs, 3 speed remote control, winter/summer mode and wall mount for you to personalize your experience. The star of this Fanaway design is the light kit which has a hand-crafted industrial steel cage with a hand-painted black wood trim. The 3 dimmable vintage LED bulbs complete the rustic modern feel and is sure to add that designer look to any room in your home.
