## Product Features

The Bolla is a compact handcrafted glass, softly radiused to fit gracefully into contemporary spaces. Our Opal glass is a soft white cased glass that can suit any classic or modern decor. Opal has a very tranquil glow that is pleasing in appearance. The smooth satin finish on the clear outer layer is a result of an extensive etching process. This blown glass is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation. The mini sconce fixture is equipped with a sleek arcing die cast lamp holder and matching radiused rectangular canopy. These stylish and functional luminaries are offered in a beautiful brushed Bronze finish.
