Besa Cabo Vanity

Product Features

The Cabo vanity is a contemporary bath bar featuring handcrafted frosted/bubble glass on a low profile plated bracket, designed to allow for rotation of the glass fitters. Our frost/bubble glass is a transparent glass diffuser, with an interesting bubble pattern blown randomly throughout the glass. The pleasing play of light through each shade's bubble accents make for a striking affect along with the prominent display of the lamp filament behind the glas. This modern wall light offers flexible design potential for a variety of bath/vanity decorating schemes, and mounts horizontally or vertically. These stylish and functional luminaries are offered in a beautiful Chrome finish.
