Product Features

Canto 5 features a tapered drum shape that fits beautifully in transitional spaces. Our Opal glass is a soft white cased glass that can suit any classic or modern decor. Opal has a very tranquil glow that is pleasing in appearance. The smooth satin finish on the clear outer layer is a result of an extensive etching process. This blown glass is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation. The mini sconce is equipped with a decorative lamp holder mounted to either a low profile round or square canopy. These stylish and functional luminaries are offered in a beautiful brushed Bronze finish.
