Besa Coco 10 Stem Pendant

Product Features

The globe-shaped Coco is a blown glass with a neutral décor and classic shape that blends gracefully into all environments. Our Cocoon glass is a frosted glass with interesting threads of opaque white swirling throughout. This décor is full of textured and creates a point of interest to any room. When lit this glass features a dimensional effect from the whites lines that are interlaced at various levels. The smooth satin finish on the clear outer layer is a result of an extensive etching process, with the texture of the subtle brushing. This blown glass is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation. Each piece of this décor has its own artistic nature that can be individually appreciated The stem pendant fixture is equipped with an adjustable telescoping section, 4 connectable stem sections (3", 6", 12", and 18") and low Profile flat monopoint canopy. These stylish and functional luminaries are offered in a beautiful Satin Nickel finish.
